# XGEN 2024 - International Conference of Scientific Communications

# Monday, 20 May 2024

**Medical Informatics: Medical Informatics & Industry - A3 (14:00 - 18:00)**

| time | [id] title | presenter |
|---|---|---|
| 14:00 | [228] DrQuizz Medical Webapp | LENARD, Nagy |
| 14:15 | [236] Sculptify – A Comprehensive Meal and Exercise Planning Application for Personalized Health Management | ROMANIUC, Miriam |
| 14:30 | [272] GymEnhancerQR | TRIF, Flaviu |
| 14:45 | [351] Digital literacy among doctors in Chișinau, Moldova. A pathway to tailored educational programs | Ms PITEL, Ecaterina |
| 15:00 | [352] Convolutional Neural Network for Skin Cancer Risk Assessment through Skin Lesion Analysis | Mr STOICA, Andrei-Marius |
| 15:15 | [353] LabTracker: Navigating laboratory test results with ease and understanding | Mr ANGHELESCU, Alexandru |
| 15:30 | [354] Generating Parkinson's Disease Gait Patterns using Deep Neural Networks | Mr FLEȘAR, Radu-Constantin |
| 15:45 | [355] Creating medical datasets using Robot Process Automation | Mr ROMAN, Iulian |
| 16:00 | [356] Fast Retinopathy Detection and Classification of Retinas Into Healthy and Pathological Using the Technique of Spatial Transformation | Mr FARCAS, Alexandru |
| 16:15 | [210] Polygraph test using facial recognition algorithms | GEORGESCU, Eduard-Constantin |
| 16:45 | [322] GestureUnity: Webcam-Powered Control for Games | ANA-MARIA, Petrea |
| 17:00 | [231] Eat It! - Online Food Ordering WebApp | VÁRDAI, Erwin |
